THE PRO-ISRAEL FAMILY MOURNS AS WE SAY THANK YOU TO THIS GREAT MAN

Sheldon Adelson was a real activist.

He was a true Zionist and avidly fought to combat hate. He chose to take action for the causes and values he believed in.

Sheldon and his wife, Dr. Miriam Adelson, founded both the Adelson Foundation, which works to strengthen the State of Israel and the Jewish people, and the Adelson Medical Research Foundation, which focuses on healthcare, among countless other projects that truly depicted Sheldon's dedication to helping those around him.

Sheldon Adelson sincerely believed in our mission and community at **Act-IL** and he supported and encouraged our project from its establishment.

His passing is a monumental loss for the Jewish Community as a whole.

Today, the whole pro-Israel family mourns, as we say thank you to this great man.

May his memory be blessed.
